

LUNCHBOX INFORMATION SESSIONS

TAKE THE HEAT OFF YOUR ENERGY BILLS

Are you sick of rising electricity and gas prices? Take action into your own hands!

By learning how to be more energy efficient you will not only save hundreds of dollars but also make your home more comfortable and sustainable.

BYO lunch!

Want to find out more?

This Lunchbox Information Session is an introduction to the Sustainable Homes Program. The full course, developed in conjunction with the Australian Conservation Foundation and the CSIRO, will give you the knowledge to make your home more comfortable, sustainable and efficient. The full course will run in Term 1 2012 at Hastings, Dromana, Mornington and Sorrento Community Centres. For more information contact Nicci Tsernjavski on 5950 1259.
