

# Storytime Social Story

Mornington Library

I am going to Storytime at  
the library.

**Sometimes there are lots of  
other children at Storytime.**

**There will be a lovely librarian  
who will read us books and  
sing some fun songs with us.**

**The librarian will have some pictures on the board to show us what will happen next.**

**I can sit on the floor and listen  
to the librarian read the books.**

**Or I can sit with my Mum or Dad  
and listen.**

**Sometimes we might sing  
songs and dance during  
Storytime.**

**If it gets too loud, I might like  
to bring my earmuffs from  
home to wear.**

**Or I can go to a special quiet  
area if I like.**

**When it is time for the  
librarian to read us another  
story, I will try and use my  
calm body around the other  
children so they can enjoy the  
story.**

**The clock will show us how much time is left.**

**At the end of Storytime, the  
librarian usually blows bubbles  
for us.**

**It is fun to look at the bubbles  
and try and touch them.**

**After this we usually do an arts and crafts activity.**

**Storytime can be lots of fun at  
the library!**

Then it is time to go.
