I am going to visit Mornington Library for Sensitive Storytime.

Sensitive Storytime is for children aged 4-7 years old who like a quiet and relaxed Storytime with a small group of people.

When I arrive, I will see people who work at the library.

They are called library staff.

They may be wearing black t-shirts with white writing and a rainbow.

All library staff will be wearing nametags and lanyards.

My trusted adult will walk with me to the Sensitive Storytime room.

I will see colourful cushions on the floor.

I may choose to sit on one of the cushions.

My trusted adult can sit with me.

There will be other children and adults at Sensitive Storytime.

Library staff will say hello.

Library staff will sing a welcome
song and blow some bubbles.

I might like to blow bubbles too.

Library staff will read stories, play music and sing songs.

Other children may sing, dance or move during songs at Sensitive Storytime.

I may want to sing, dance or move too.

I can move to the back if I feel I am too close to other people.

That is okay.

There will be cards with pictures on them to show what we will be doing next.

There will be a clock which shows how much time is left at Sensitive Storytime.

There will only be a small number of other children there.

This is so that Sensitive Storytime does not feel too busy or noisy.

I can use my headphones to help with the noise.

I can sit on the couch outside the room.

I can go outside to the courtyard for quiet time.

My trusted adult will come with me if I leave.

Library staff will sing a goodbye song at the end of Sensitive Storytime.

Library staff will feel happy if I say thank you to them when I leave.

I might be able to go to the children's area after Sensitive Storytime has finished.
